GAY AFFAIR

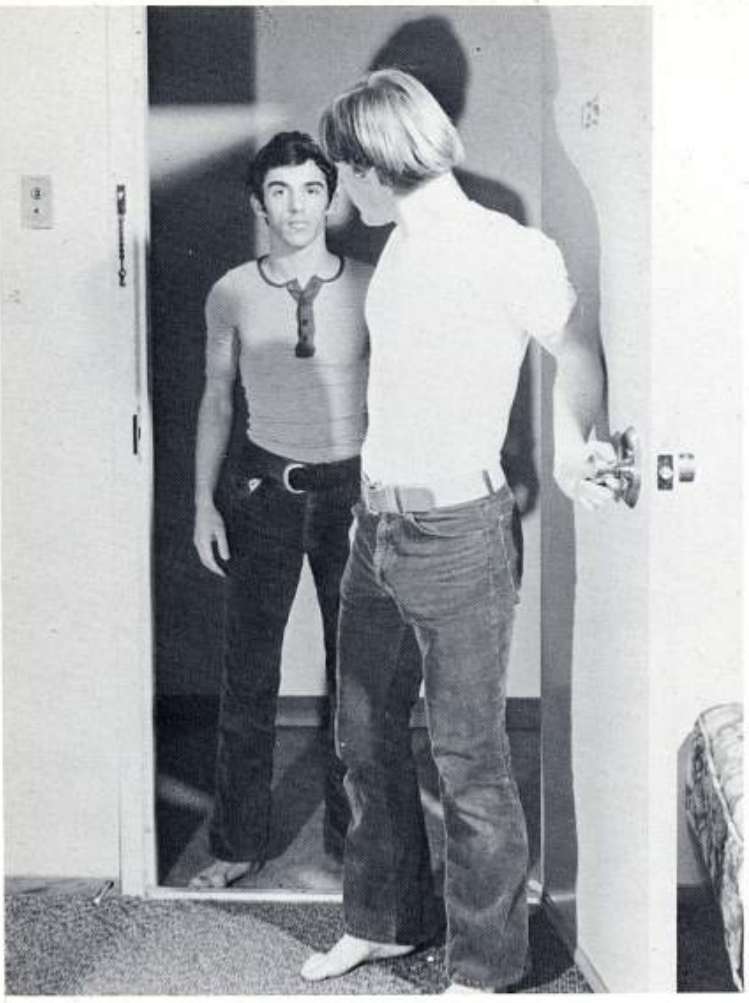
The prickly branches of the oleander bush, which concealed them from public view, brushed against David's cheek, causing him to pull back and open his eyes. He stared at the stiff cock standing up in front of him, tempting, tantalizing, forcing him to forget the momentary discomfort of the scratching, slightly poisonous branches. His lips closed over the head of the cock again.

He rubbed his nose into the rough wool pants, rubbed his hands up and down muscular legs. Suddenly touching the gun hanging on the side, he glanced up, his gaze hypnotically held by the badge glistening in the sunlight. Here he was in Pinetree Park, sucking on a Forest Ranger in full uniform. *God was it exciting!*

The Ranger swayed backwards and forwards with his eyes closed, muttering under his breath, "Suck it, suck it. Suck that God damned hot cock. Take it all the way down your throat, baby.

David nearly fainted with the excitement that was grabbing at every nerve in his spine while his heart beat in staccato rhythm. He reached down and grabbed his own stiff cock. The head of it was already moist with cum that had begun oozing out almost the instant the Ranger had started to unzip his green uniform pants. He pulled



back the foreskin and beat his own cock slowly, still sucking on the Ranger's.

Finally, the Ranger pulled his cock out of David's mouth and said, "Stand up."

David did as he was told, and the Ranger suddenly knelt down and took David's cock in his slippery, warm mouth. What *ecstasy!* Here he was, a Ranger sucking on him. That was almost as exciting as sucking on the hot, stiff rod of the Ranger.

The Ranger knew how to do it. He slowly rubbed his tongue around the head of David's cock, sliding up and down on it. Then he cupped David's balls in his hands and squeezed on them — not too hard; just hard enough.

David was nearly going out of his mind in ecstacy. Finally he couldn't hold it any longer. He shot his load.

And the Ranger swallowed it eagerly, taking it way deep down in his throat. So he swallowed, his throat contracted around David's cock, forcing more cum to come out of it.

When David was finished, he pulled off.

The Ranger, kneeling down on the ground, looked up at him, smiled, and said, "You don't have to suck me off if you don't want to."

David said, "You've got to be kidding!"

At that, the Ranger stood up, uncinched the wide leather belt holding up his trousers, but not the wider, additional one which supported his gun holster. He pushed his jockey shorts and the

military creased pants to the ground.

David said, "I'm going to eat that fucking cock and every drop of your cum."

He went down on it, kissing just the head, sticking his tongue in the little opening, putting his lips around the head — going up and down, just so his lips went around the rim. Slowly, he went all the way down on it, almost gagging in the process. *God, what a way to go!* He then slowly drew his mouth up and down on the cock. He felt it getting stiffer and throbbing more and more. He started sucking harder and faster. You could hear the Ranger breathing.

The Ranger started breathing harder, and moaning, "Oohh, God, suck it. It feels good, baby. That's the only way to go, with someone sucking your damn prick. Suck it. I'm going to shoot my load. I'm going to knock the back of your head off."

David could feel a little bit of sperm coming into his mouth. And all of a sudden, a great gush as the Ranger really spent his whole load all at one time, coming and coming and coming. David thought it would never stop, and he hoped it would never stop.

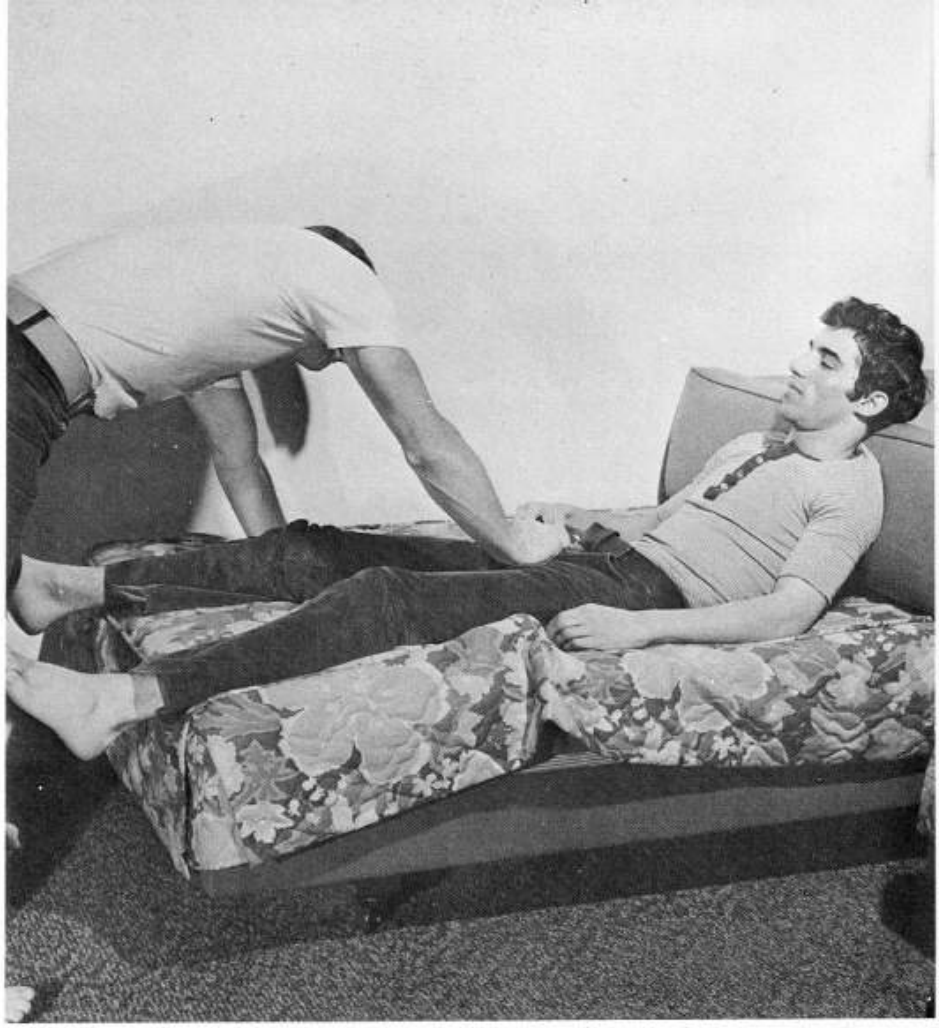
Finally the Ranger pulled his cock out of David's mouth.

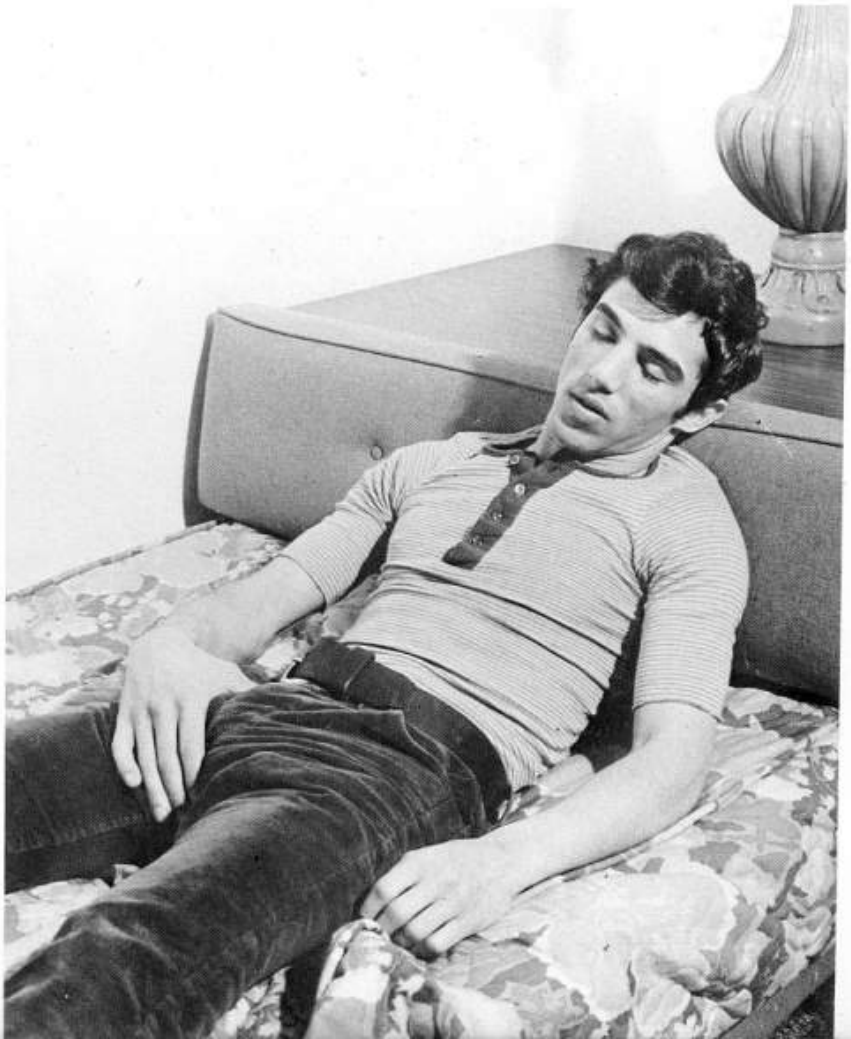
David licked his lips.

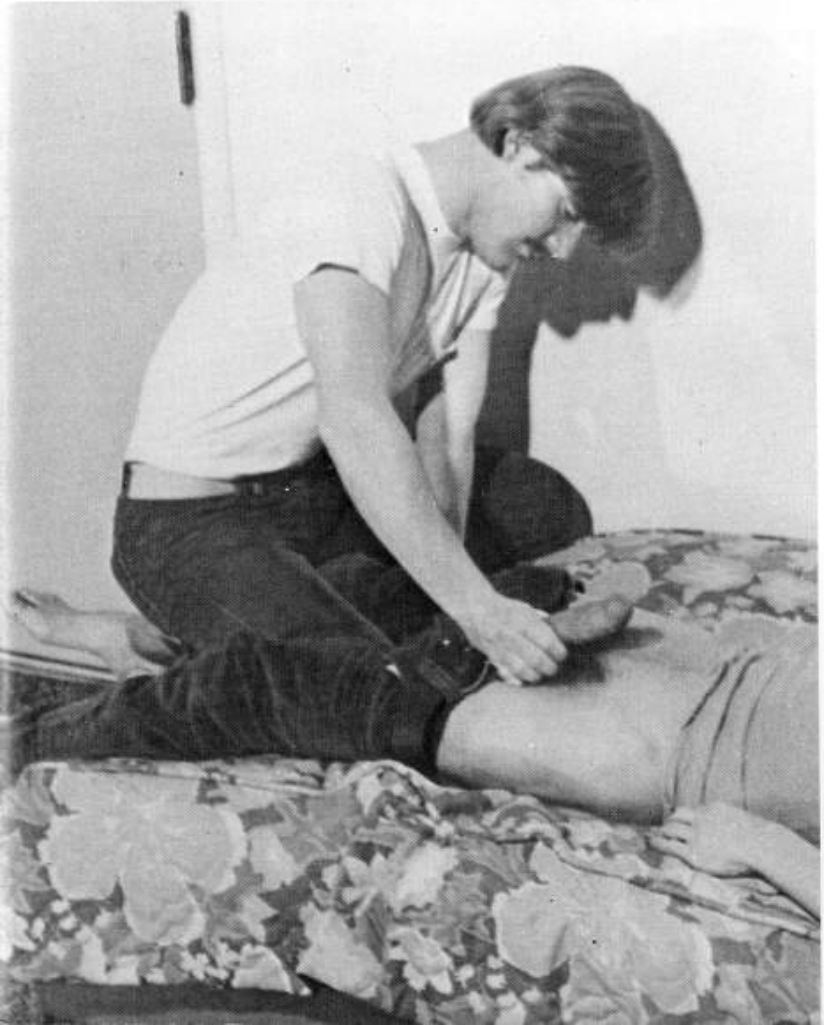
The Ranger very abruptly pulled up his pants and zippered them up. He chucked David on the shoulder, turned, and walked away.

David stood there in amazement, puzzlement, ecstasy.

He heard the Ranger's jeep start, the siren going. But all of a sudden, it didn't sound like a siren. It sounded more like a bell. A tingling of a telephone ringing. David wondered, almost aloud, "Where in the hell can a telephone be ringing out here in Pinetree Park?" He blinked his eyes open, and realized it had all been a dream.







He wasn't in Pinetree Park at all. He was lying in bed with cum all over him. He had had a wet dream, and he loved it. It made him very mad that the phone had awakened him right at that particular moment, and doubly when there was nobody at the other end of the line when he answered it.

He slammed down the receiver, and said, "Oh, shit, I guess I might as well go ahead and get dressed." Then he brightened up a bit, thinking "Hmmm, it's a little early, but maybe there is someone in the park after all."

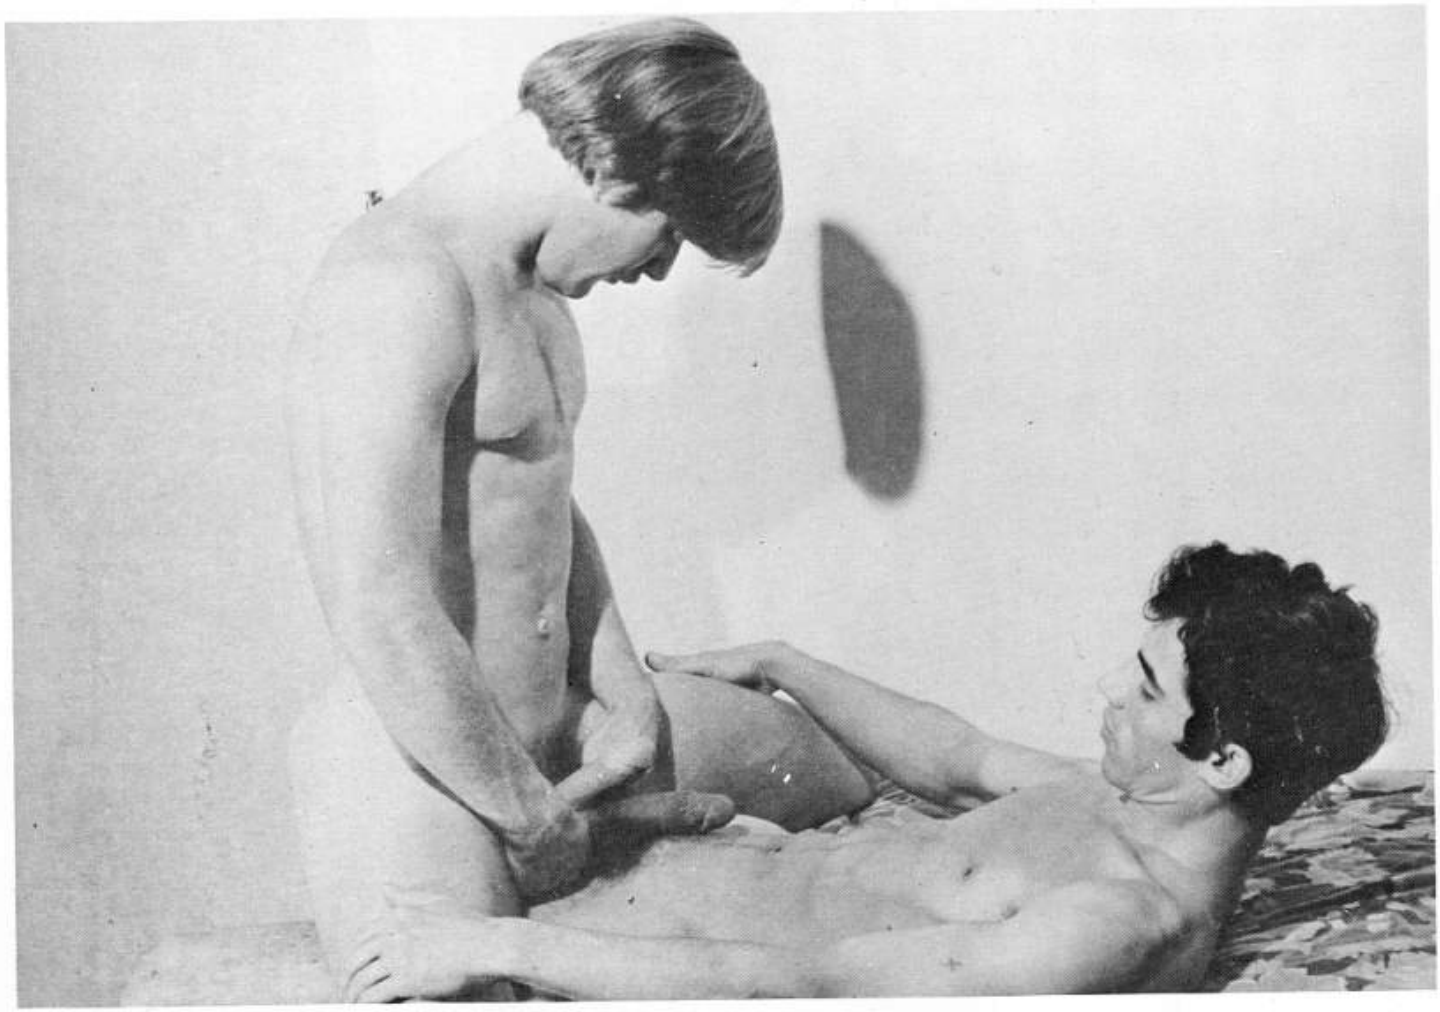
So, he quickly showered, dressed, and took off.

As David wandered through the lanes of the park, he turned a corner. Low and behold, sitting on the hillside was a beautiful boy, rubbing his crotch.

He walked up and sat down.

They talked for a while, not about anything in particular.

Finally, David rubbed his own crotch, because he was getting



a good big hard on.

The kid introduced himself and asked David what he liked to do.

David turned to him and stared him square in the eyes. "I like to suck and fuck, buddy. What do you like to do?"

The kid said, "Boy, that sounds groovy to me. Boy, I'm so hot right now, I'm ready to explode in my pants. But I'd rather explode in your mouth or your face."

David said, "Let's go."

They wasted no time getting back to the apartment.

Immediately, David threw the kid on the bed and started to take his pants off. He was surprised, very pleasantly so, because there, springing out of the pants, was one of the most beautiful cocks he had ever seen.

David made no wasted movements. He immediately put his mouth on it and started sucking. The kid leaned back, moaned, and started fucking David in the

mouth. This made David even hotter, and he sucked him fast. The faster he sucked, the faster the kid fucked.

The kid said, "Stand up a minute. I want to see your cock."

So David stood up, and undid his pants. As he let his cock out, stiff and hard, again cum was oozing out of the end of it — just a trickle.

The kid leaned over with his tongue and licked it off. "That's something else," he observed appreciatively. "That tastes just like vanilla ice cream. Baby, I could eat it forever."

They leaned over and kissed each other, probing each other mouths with their tongues . . .

Clasping the kids buttocks, David leaned down and ran his tongue around his nipples biting them just a little bit. The kid loved it. David continued, running his tongue down to the kid's belly. Down to his pubic hair. Then around his cock, down under his balls. He took both balls in his mouth and sucked on them, loving the feel of cock and balls in his mouth. Unfortunately, in this particular case, he couldn't do them both, so he was happy just with the balls.

The kid was writhing in ecstacy. He wanted David to suck it, fuck it, he didn't care. He was just hot to trot!

David threw the kid back, threw up his legs, went underneath his balls and stuck his tongue in his asshole. The kid really went out of his mind. David continued to suck. Finally, after it was lubricated enough, he looked up at the kid, who had a big grin on his face. David smiled, and said, "Okay, baby, this is it."

As he eased the head of his cock into the kid's moist warm asshole, the kid started undulating, throwing his ass towards David. And David slowly put his cock in, pulled it out, put it in, pulled it out. Then he started fucking the kid faster.
He could feel the warmth of the asshole loving his cock, tightening up as he pulled out, loosening up as he pushed in.

The kid was really going out of his mind now. He reached down and started jacking his own cock off.

David said, "Don't you dare cum. We got a long time ahead of us."

The kid said, "Don't worry. I cum more than once."

This excited David even more. He thought he was one of the rare few who could cum many, many times. He thought to himself, "Boy this is really going to be some session, because we can suck and fuck, and fuck and suck until our heart's content." And then he really started pounding into the kid.

The kid said, "What about you? Can you cum more than once?"

David said, "Try me."

The kid said, "I'm ready, baby, go to it."

David fucked the kid's ass hard and steady. He pounded his cock into the kid's ass, and the kid moaned in ecstacy:

"Give it to me David. Give me that cock of yours. I want that cock of yours all the way up into my ass. I'd love to get those balls in there, too. Fuck me. Fuck me. God, I'm hot."

David said, "How far can you shoot?"

"Why?"

"Cause I want to suck your cum and fuck your ass." And David leaned down and found that kid's cock was just long enough that he could put his mouth around the head of it. He tongued the cock and fucked at the same time.

The kid was going out of his mind. "Oh, God, David, I'm going to shoot my load."

David just mumbled, and sucked faster.

They were both shooting at the same time. It seemed there was a cup of cum in each their bodies.

They laid back, closed their eyes, and took a very short nap.

Waking up a little while later, David turned over to the kid, "Like to try that again?"

The kid said, "Sure. Why not? I'm here for a while."

David said, "You'd better believe you're here for a while, baby, and we're going to do it all sorts of ways." He raised himself up on one elbow, and asked the kid, "Ever have a lover?"

The kid said, "Yeah. Well, you might call him a lover. I don't know. It was sort of a strange affair. We didn't live together, or nothing like that. I know the guy wasn't married. But I could never call him, and I never knew what kind of work he did. He always seemed to be gone at strange hours. But he was a good affair. We sure had a lot of sex together. And we sure like it out in the open. I sometimes wondered if he might have been a cop or something like that. I don't know. I guess I'll never know now. I don't see him anymore. But I sure remember that cock of his. Big and long. And,

boy, could it ever shoot a load of cum. I loved to have him shoot all over me, and then have it into me. Then he'd lick it off. God, that was exciting. 'Course, I'd cum too, and he'd lick that off at the same time."

David leaned over and kissed the kid full on the lips. He said, "Let's get dressed and go out and get something to eat. We can come back later. I got a pool here at the house. We can skinny dip."

The kid said, "Gee, I'd like that. It's been a long time since I've been swimming in the nude — especially with someone as groovy as you are. Boy, I sure dig your body. You work out, David?"

"Oh, a little bit."

The kid said, "Boy, I'll bet you see a lot of beautiful cocks and bodies when you work out at the gym."

David sort of grinned. "Well, there's working out, and working out. Then there's making out, and you can generally make out at the gym. There's some truth in the old saying about how much fun it is in the shower when you drop the soap. Unquote. Ah, come on, let's get dressed and go have some breakfast."

Getting dressed, they teased each other a little bit. Flicked each other on the asses with towels.

Then as they were driving down Hollywood Boulevard, they passed the Gold Cup.

David thought to himself: *God, speaking of cock a while ago. I sure can remember when I used to pay for it. Thank heavens, I don't have to do that anymore.*

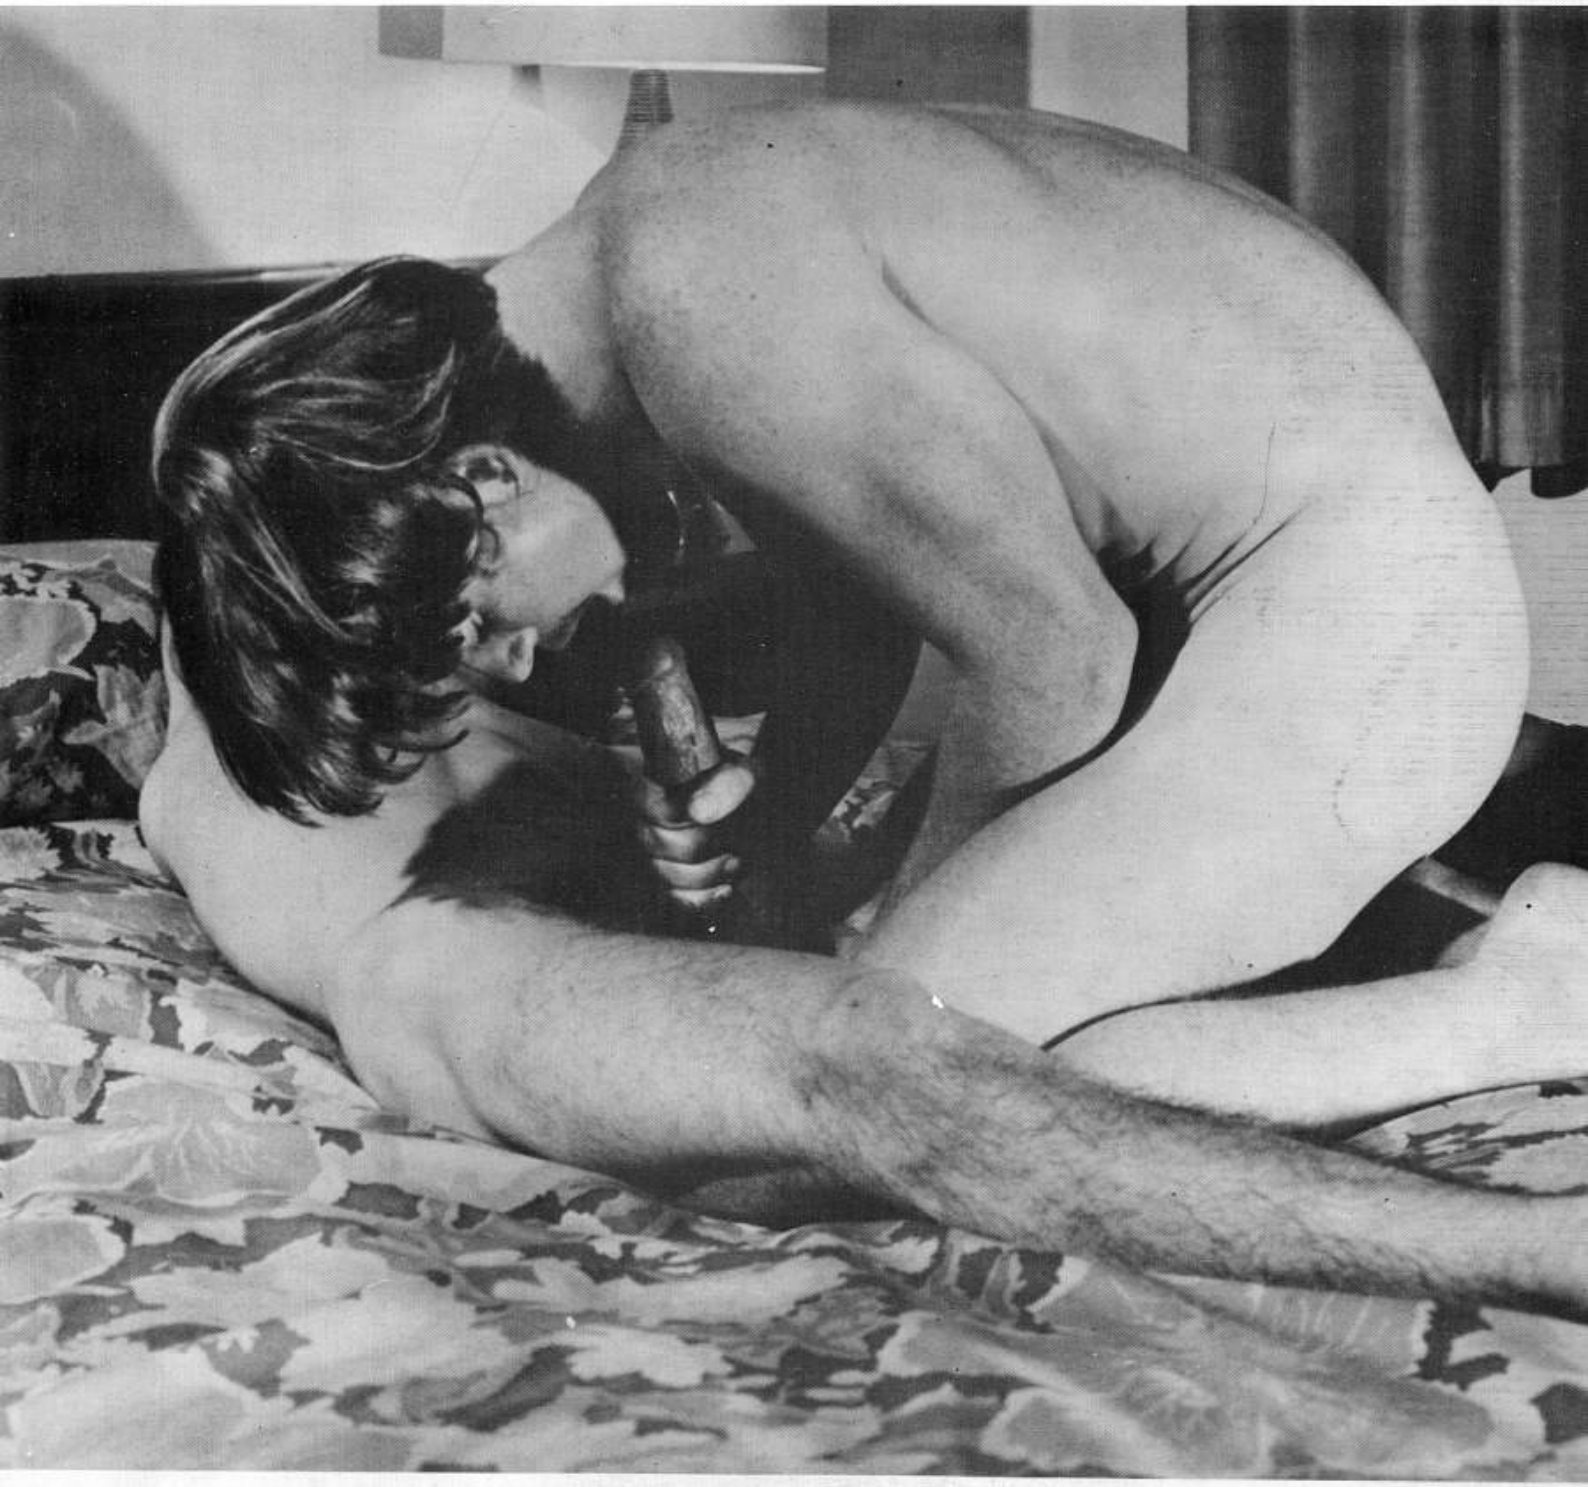
The kid thought to himself: *Wow, that used to be my corner. I used to be the stud of studs. At least, everyone thought so.*

Me included. Ah well, I found out it's more fun to give it away then to even try to get the price of a cup of coffee.

It was a nice day. David had put the top down on the car.

"There's some awful nice stuff on the street," David commented, winking at the kid. "But what the hell. I got a horny cock next to me. What more do I need?"

They stopped and had breakfast. When it was over and they were back in the car, David



turned to the kid and asked, "Want to go to the beach?"

The kid looked at him, raising one eyebrow. "Beach? Shit, baby, I want to go back to bed with you. I told you I could cum more than once, and I intend to prove it. Lots and lots of times."

David turned around, and they drove back to the house quickly.

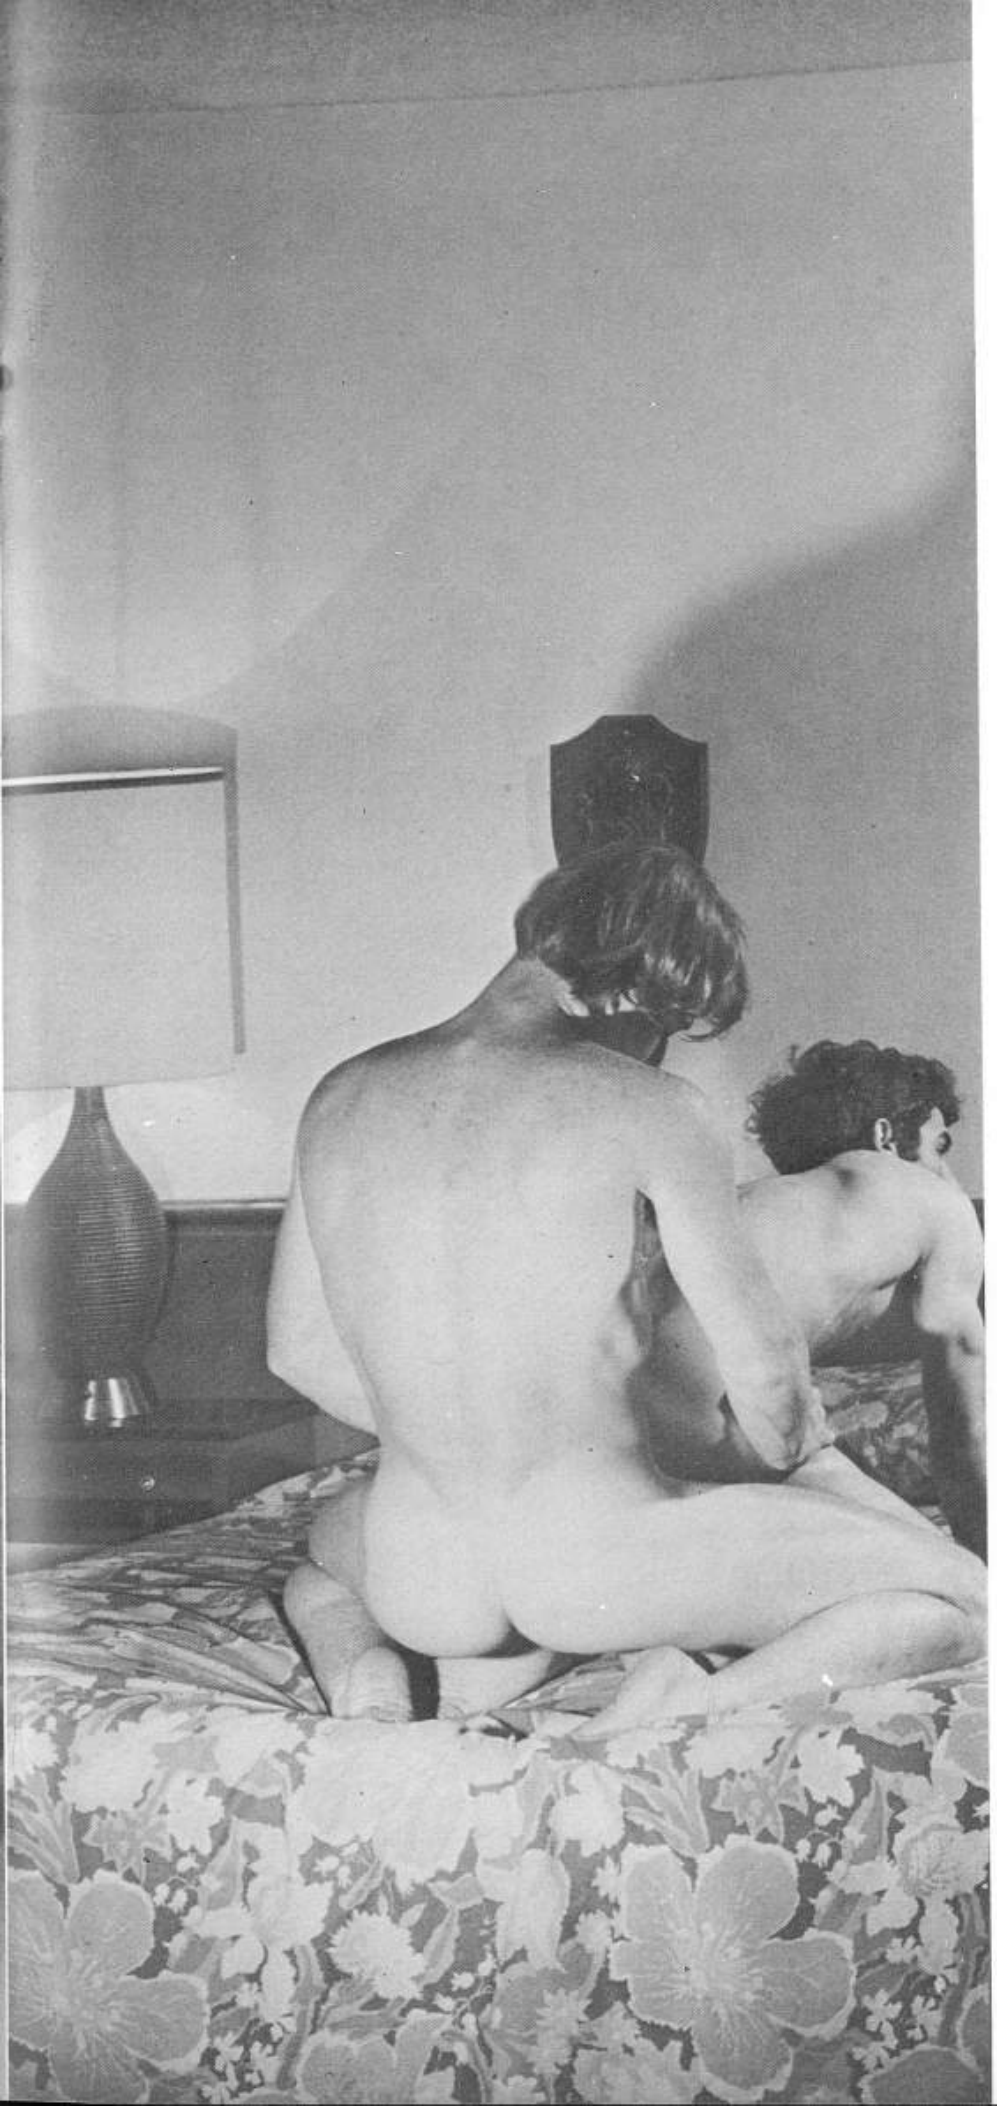
No more had they gotten into the house until the kid turned to David and said, "Get those clothes off baby. You're going to get a blow job."

David sat down on a chair and started to take his shoes off.

The kid went over to him and got down on his knees. He looked up at David, and said, "That's a beautiful cock. I'd like to take it. I'd like to fuck with it. I'd like to have that cock part of me. I'd like to suck on it. I'd like to fuck with it. God, that's a gorgeous hunk of meat!"

David's cock was getting harder and harder.

And the kid said, "Yeah, baby, that's it. That's what I'm going to sit on. That's what I'm going to let fuck me in the ass . . .



Man, I want that big hunk of meat up me. I want it to fill my insides with cum, and stay there and come again."

Then the kid lowered his head and took David's cock in his mouth. He didn't suck it; he didn't tongue it; he didn't lick it. He just let the warmth of his mouth and his breathing warm David's cock.

David's cock grew. It started throbbing. David was in heaven with this warm mouth closed over his cock — not licking it, almost not touching it. David lay his head back and closed his eyes. All of a sudden, without knowing it, he said, "Oh, my God. I'm coming. I don't want to come now. Shit, I'm coming. Oh, God!"

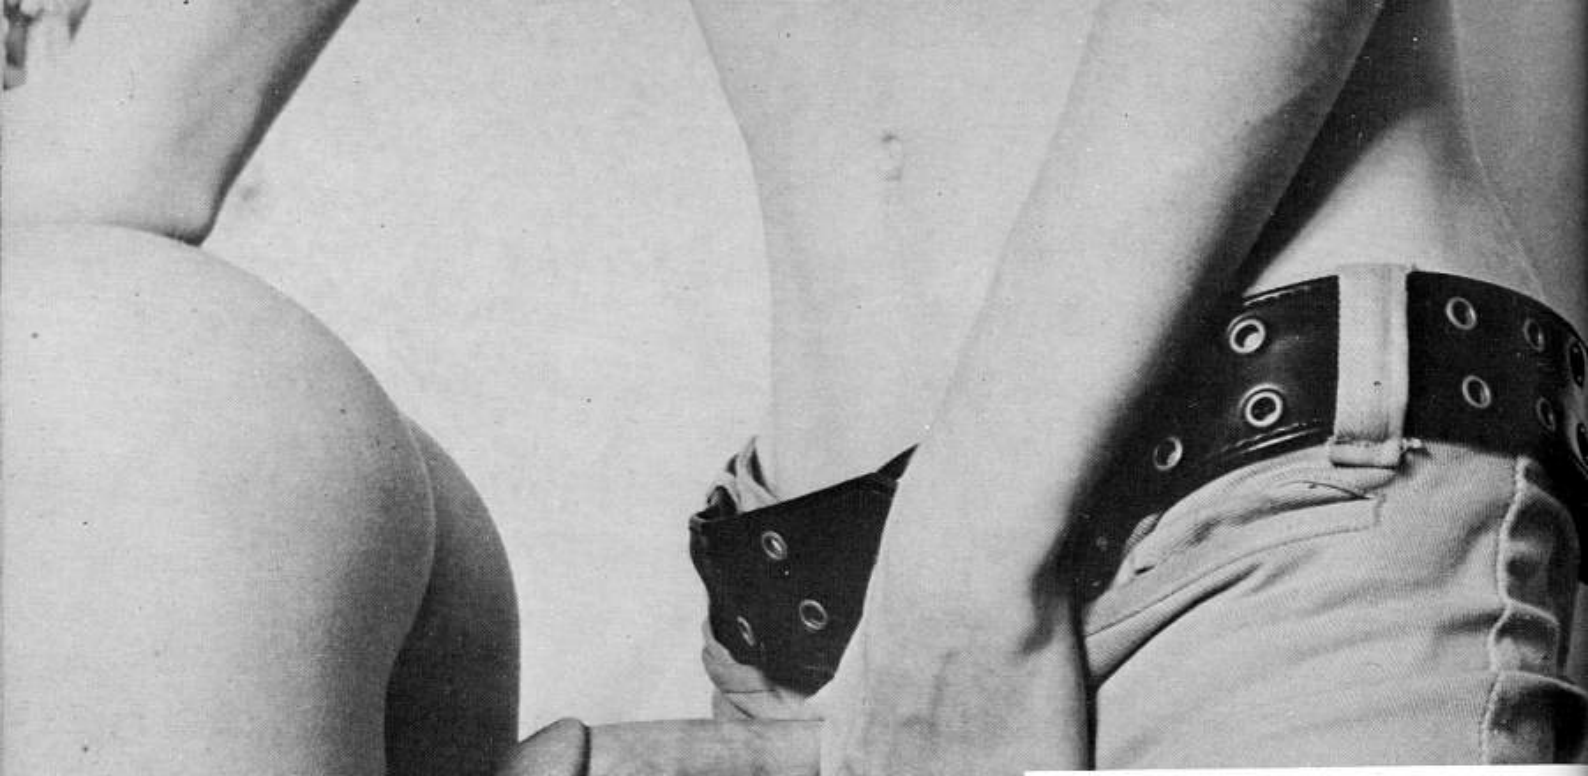
The kid took every drop. He gagged on some of it. Some of it ran out of his mouth onto David's balls.

David lay back exhausted.

The kid drank the last bit of cum out of David's cock, slid off David, looked at him, and smiled.

David said, "If you think that's going to stop me from doing anything, you're crazy. Let's go to bed, baby. I've only just begun."

After he had made the statement, David thought to himself that he really didn't know whether he could do anything. After all, he had spent himself a couple of times today.



But then, all of a sudden, the kid stood up with his big prick standing right out in front of him, throbbing and oozing cum.

David said, "Forget it, baby. I can do anything you can do! Let's go to bed."

They went into the bedroom.

David said, "You know what I want you to do? I've just shot my load again today, and I want you to fuck me. I've never been fucked by anybody right after I shot my load. Generally, I don't feel like getting sucked or fucked. I don't like sex at all. But now, I want you to give it to me baby — whether I want it or not. I want you to give to me that big, throbbing, juicy piece of meat that you've got hanging there between your legs. I want you to make love to me, baby. I want you to stick that cock into me, whether I scream or squirm, or whether I say anything at all. But I know I'm going to love it . . ."

They lay down on the bed.

The kid was very gentle. He kissed David very passionately; probed his mouth with his tongue; bit on his lip, ever so gently. Then he ran his tongue around David's chin, down the length of his outer throat, to the nape of his neck, and down

his chest. He stopped at David's tit which was firm and protruding and quivering in its arousal. The kid put his teeth on it and chewed very lightly. Then he put his whole mouth on it. Then he started sucking on it.

The kid ran his tongue down David's body to his crotch, past his cock, under his balls. He lifted David's legs and stuck his tongue into David's ass.

Not being particularly sexy, David wondered what he would really feel like when he had just shot his load, and somebody started to fuck him. He was soon to find out.

The tongue was so good, so juicy, so warm.

The kid had lifted David's legs up farther, and started to put his cock into David's asshole.

His first entry burned David. Then as he probed deeper, David was painfully aware of pain. *It hurt like hell.* But much to David's amazement, his own cock started getting hard again, and he thought, "Shit, do I like

to be hurt? God, I must. Oh, who gives a fuck? I just want to get that cock in my ass. I want that cum and the cock." Aloud, he mumbled, "Oh, baby, does that feel good. Shove it in there. Slap those balls against my ass. I want those balls slapped against my ass. Harder, baby. Oh, God damn. I don't believe it! I'm going to shoot my load again. Oh, son of a bitch, fuck me! Fuck me, baby. Oh, God, I want to shoot my load. I'm looking up at my cock, and you've got my ass so high in the air, I think I'm going to shoot my load in my own face. Oh shit. I wonder what my cum tastes like. Oh, God damn. Fuck me, baby, fuck me."

And at that, the kid was pumping harder and harder. And David saw his own cock up there, starting to ooz cum, and he felt it getting ready to shoot its load. David opened up his mouth and took his own load as the kid spent his load into his ass.

The kid crawled off David and went into the bathroom to get a towel.

David was lying there, and took his hand and wiped the cum off his own face. He licked his hand. He smiled. "God, I've never eaten my own cum. It tastes pretty good. No wonder people like it." He got up and went to the bathroom.

The kid was washing up, so David sat down on the toilet seat. The kid looked over at him and said, "How would you like to cum again?"

David looked at him in amazement, "What do you mean?"

The kid said, "I want to suck your cock now. You've just come twice. And I want to see if you can come again."

He knelt down on the floor and looked up into David's crotch, stuck out his tongue and started licking David's balls. He licked them until they were all nice and wet. He put his hand under them and started squeezing them.

David jerked back. "God, I don't know whether I can do this or not." But, sure enough, the old, hard prick started getting

harder. It rose to the occasion.

The kid said, "Yeah, that's what I want," and went down on it with a fury. Sucking on it, he licked it. He chewed on it a little. And he sucked and he sucked.

David said, "My God, I don't believe it. I don't believe I'm going to be able to come again!"

The kid drew his head back and off David's cock, and said, "I really love suckin' people off in johns. That's when I was making my most money, when people was suckin' me off. Then I suddenly realized 'what the hell,' I'm enjoying it too, so I started suckin' them off. This brings back fond memories. Just lay back, baby. I'm going to suck your cum."

After David thought he couldn't shoot his load any more, they finally just sat there, looked at each other, and laughed.

David said, "Come on. Let's take a shower and clean up."

They got into the shower. Fortunately, both of them had come quite a bit, so it wasn't as erotic as it could have been. But then, they started toweling each other off.

The kid had started down at David's feet, working up towards his ass. He leaned over and kissed it, and said, Hmmm, baby,

that tastes and feels good. Sure reminds me of my old days in the barracks."

David turned around and asked, "By the way, what do you do?"

The kid said, "Well, I'm a Forest Ranger."

David was startled.

The guy said, "Don't worry about it. There's some people who like to suck me off when I'm in uniform, and there's some people who like for me to suck them off when I'm in uniform. Me? I just like to suck and fuck. What's your bag?"

David said, "Would you believe that even in my dreams, it's Forest Rangers with their cocks hanging out and me sucking on them?"

At that, they both looked at each other and laughed, and headed for the bedroom.
